Headteacher: Mrs Hannah Young

Dear Parents/ Carers,

At South Ossett Infants Academy, we aim to have clear and easy communication between school and home. To enhance our communication, we have decided to introduce an online platform called 'Seesaw'. Seesaw is a secure, online learning journal where class teachers can capture and upload your child's work to document their learning.

We encourage all parents to sign up for a Seesaw account. You can download the Seesaw app to your phone (giving you access to your child's learning journal) and choose to be notified when your child's class teacher adds new content. Seesaw journals are private and only accessible by teachers and parents. Photos of your child(ren) will be shared on this secure platform. This platform will be used to share important messages (alongside our emails), your child's homework and learning they have done at school. You can also share learning and achievements your child has done at home including baking, den building or a video of your child reading to a teddy!

To sign up for Seesaw, your child will come home with a letter today with login details and instructions. On the letter, you will find a QR code which you can scan to begin the sign up process.

If you have any further questions or require additional support, please visit: https://seesaw.com/family-resources/ or contact the School Office.

Your sincerely,

Mr Jack Andrews
Assistant Headteacher
