Phonics Homework for Upper Foundation - This will be sent home on a Friday.

Reading books for Upper Foundation - Children will be given a new book on Friday, but books need to be brought to school every day.

Lower Foundation Phonics - We will send a message home

It has been another hard working and exciting half term! We have had a very interesting visit from a Police Officer, who told the children all about being in the Police, and even brought a Police car to show the children. The children enjoyed a visit from one of our parents who works in the army, and showed our children how to march and salute. We also had a visit from a nurse, who told the children all about her job working in a hospital. The children have created lots of lovely models of police cars, fire engines, walkie talkies, and even stethescopes! using! Upper Foundation had a fantastic visit to Ossett library, thank you to all the parents who helped with this.

Next half term we will be learning all about 'Spring on the farm', where we will be learning about what plants need to grow, farm animals, and creating some Spring artwork. We will also be learning about Easter, Mother's day, and World Book Day!

If there are any parents who like to garden and would like to come and help us in our Outdoor Learning Environment, please get in touch!
