Virtual Reality (VR) Workshop Day

Dear Parents/Carers,

We write to inform you about an exciting opportunity that your child will take part in as part of our Computing curriculum offer. Children in Class 1 and Class 2 will have the opportunity to take part in a Virtual Reality Workshop. During this session, each child will have their own VR Headset and will explore and become immersed in a topic relating to their year group's curriculum. It is a great opportunity for them to experience their learning up-close. We are certain that the children will have a great time!

This exciting event will happen on **Thursday 12th February** and has been funded by Friends Of South Ossett.

To make sure that Early Years benefit from this money, we have been looking at new technology we can buy. We are in the process of purchasing a new 'story listening centre' where children can listen to their favourite stories through the use of ICT.

Yours sincerely,

Mr Jack Andrews

Assistant Headteacher
