South Ossett Infants Academy

Happy New Year!

Thank you for your support this week. The children have coped well with the drop in temperature and the boilers are back working to full capacity. It has been lovely to see the children settling back into their classroom routines. As teachers, we usually see the children making lots of progress this term especially in English and Maths. You will be able to see what the children will be learning about on our curriculum overviews which we will share with you on Seesaw.
