South Ossett Infants Academy

I can't believe we are already at the end of week 2! I always love the Spring term as it is the time when we really see the most progress in the children's learning. As a staff, we have been looking closely at the children's progress in writing and assessing where they are so that they continue to make progress towards end of year expectations. I have started joining Year 1 for some writing sessions so I can get to know the children better as well as supporting them with extending their ideas with a range of vocabulary. Last term, I spent time in UF for their writing sessions to see how they apply their phonics skills. It has been lovely to join the children for these sessions.

Useful Information

A polite reminder to keep supporting the children with their reading at home. Reading books are sent home every night and, as well as them reading with an adult in school, we need this to continue at home. This is really important to enhance the children's fluency so then their comprehension skills improve. Please remember to log the reading on Boom reader.

In Foundation Stage this term we are doing People Who Help us topic. If there any parents who would be able to come in to talk to Early Years about their jobs, please email admin@southossett.accordmat.org if you can help. Thank you
