South Ossett Infants Academy

This week in assembly the children were learning about Worlds Religion Day and how it is celebrated every year in the third week in January. Miss Haynes led the assembly and spoke to the children about the 6 main religions and their different beliefs. Mrs O'Connor has also been asking the children about their learning in maths. This included what they enjoy about their learning, what they need more help with and how we can improve our teaching in maths! We look forward to hearing their suggestions!

We hope that you have a lovely weekend and that we finally get to see some sunshine!
