Dear Parents,

I hope that you all had a lovely Easter break and that you got to enjoy some of the sunny days that we had.

I wanted to let you know that Christ Church will be having some building work done starting this week. Some of the paths have been blocked off in order for these works to be carried out safely.

I also wanted to let you know that I attended the inauguration service for the new vicar during the holidays. Some of the Y2 children had made a card for him; welcoming him to the parish and to the local community. The Rev. Lee Davies has moved from the south and has already started leading services over the Easter period. We hope that the strong links to the church continue as we know how much the children enjoy visiting Christ Church and when the visiting speakers attend our assemblies fortnightly.

We have also been asked to inform you that there will be roadworks taking place from 11th May at the junction of Manor Road, Sowood Lane and Station Road. They have mentioned that particular care should be taken for those travelling on foot.

We will continue to keep you informed on news and events in our Friday newsletter but if you need any additional help, please contact the school.

Yours sincerely,

Mrs H Young
Headteacher
