South Ossett News

South Ossett Infants Academy

Thank you to all the children who took part in the Easter reading challenge. We enjoyed seeing the eggs coloured in to show how many times you had read as well as hearing which books that you have been enjoying. The progress that the children are making in reading is really apparent and it is amazing to hear them read so fluently.

It is another busy half term and we are planning events up until the end of the summer. Some classes will be going on trips, sports days will be put in the diary and transition arrangements will be finalised for the Year 2 children. We will keep you informed of all the events we have planned and we appreciate your support.

Useful Information

The new vicar is Rev. Lee Davies, he has moved here from the south and has already started leading services over the Easter period. We hope that the strong links to the church continue as we know how much the children enjoy visiting Christ Church and when the visiting speakers attend our assemblies fortnightly.

All after school clubs will start next week these run from 3.10pm—4.10pm Monday to Thursday.

We have also been asked to inform you that there will be roadworks taking place from 11th May at the junction of Manor Road, Sowood Lane and Station Road. They have mentioned that particular care should be taken for those travelling on foot.
