

South Ossett News

South Ossett Infants Academy

The children have been excited this week to fill their water bottles with our new water cooler. We want to encourage them to drink fresh water throughout the day and we know that most people prefer it when it is chilled. The Y2 children have been finishing their assessments this week so a big well done to all the children for all the effort they put in to really show us what they are capable of. Next week, Year 1 will do their statutory Phonics Screening Test . Please keep reading with them at home and looking at some of the more tricky sounds. They will have to read real words and alien words.

Our certificate winners this week:
