South Ossett Infants Academy

The children have had a fabulous time during sports week. The children took part in yoga, orienteering, boogie bounce, skateboarding and dragonball. We have taken lots of photos that we will share with you on social media. I think boogie bounce was a firm favourite with some of UF saying that 'it was 'the best day ever!'

Thank you for joining us for our sports days. The children did so well and all the races were in good spirit. I also appreciate you taking part in the parents races as the children love to see you run as well! We all had a really lovely time!

Useful Information

Mr Andrews and I will be holding an information morning to let you know about the plans for next year (see above) We understand that the timing of this will not work for all parents but it is tricky to find a time to suit everyone. We will be sharing the plans for the new curriculum that we have re-written, the plans for the mixed classes including staffing and the new SEND unit. We hope that you can join us in the school hall for this meeting straight after dropping your children off.
