

South Ossett News

A Science teacher from Horbury Academy joined us this week to work with the Year 2 children on STEM (Science, Technology, Engineering and Mathematics) activities. The children really enjoyed the science activities taught by a 'real' science teacher!

Although it was hot, the children all enjoyed dancing to the DJ music at the disco. It was so lovely to see them dressed up for Break the Rules Day and then having a good time with their friends playing games.

We hope you have a lovely weekend enjoying the nice weather!

Our certificate winners this week:

Year Group	Star of the Week	Honesty	VIP
LF	Jacobie	Archie
