

South Ossett News

The children have moved into their new classrooms and have thoroughly enjoyed getting to know their new environments and their new teachers and teaching assistants.

Thank you for all the lovely messages and sweet treats that you have been sending into school. There has definitely been no dieting this week!

The final message is to our amazing Year 3 (former Y2s) children who will leave us to move to Southdale. You have been such an amazing year group and I know that you will continue to flourish at Junior school. A huge well done and good luck for the future.
