South Ossett News

Welcome to the new academic year. The children have all come back full of smiles and stories about their adventures over the summer. The children have been thinking about goals for the new year and what they hope to achieve by next summer. We celebrated having a positive attitude in assembly. It was a really difficult decision as there were so many children showing enthusiasm and determination. We have listened to your comments from last term and we will be inviting you into school this half term for some different events to help you support your child's learning and to be involved in South Ossett family life. Watch this space!

Useful Information

Do you have a spare hour or two each week to join us in school as a volunteer? This could be an opportunity to hear children read, do art activities or make resources. Please contact the school office if you are interested.

All afterschool clubs will start next week for the half term.
