

South Ossett News

South Ossett Infants Academy

Thank you to those parents who joined us for the phonics information sessions. We hope you will be able to join us for the live sessions so that you can see 'phonics in action'. Please hear your children read their phonics book or their reading book throughout the week as this has such a positive impact on the children's reading ability. The children have been busy learning harvest songs ready for our Harvest service in church. We hope you will be able to join us for this.

Useful Information

Just a polite reminder that the Harvest service takes place every year and the Easter service every 2 years. There will be an Easter service this academic year. On the years that we don't have a service, the children work alongside the volunteers from the church to retell and learn about the Easter story. Other schools from the Ossett pyramid also take part in this and have done for the last few years.

We are supporting the resource again this year for Harvest (please see attached list)

Please bring in your donations from Monday 28th September – there will be a box outside the children's entrance door.
