South Ossett Infants Academy

In school this week, we have been putting the finishing touches to our school library. This will be a place for the children to choose and share a range of books and where the Year 1 and 2 children will change their reading books. Starting with Y2, children will independently change their books from the baskets if they have read and finished their books in school or at home. We continue to be passionate about reading and we hope this area in school will be utilised by all the children. You will be able to see it when you join us for parents' evening.
